Source Approval of HYSD (TMT) Steel Reinforcement from Steel Exchange India Limited

Dear Sir,

The inspection of the plant of M/s. Steel Exchange India Limited, Sreerampuram, L. Kotamanadal, Dist Vizianagaram, Andhra Pradesh was carried out by the undersigned along with the QAQC incharge Mr Ramakrishna of Ritwik Project (P) Ltd on 22nd Sept 2011. Based on our inspection and verification of relevant documents it is found that the Steel Exchange India Limited is producing steel from an integrated steel plant using iron ore as the basic raw material for the production of billet which is further rolled into TMT bars. The inhouse testing facilities are available for all the tests required for TMT reinforcements as per specification.

Under the above circumstances the approval of the source M/s. Steel Exchange India Limited , Vizianagaram Andhrapradesh (brand name Simhadri TMT) for HYSD steel reinforcement is hereby accorded subject to the following conditions :

- 1) All the steel shall consistently meet with the specification requirement of section 1000 of MoRTH and IS : 1786
- 2) Each lot of supply shall accompany the manufacturer test certificate.
- 3) Only new steel shall be delivered to the site. Everybar shall be inspected before assembling on the work and defective, brittle or burnt bar shall be discarded.
- 4) Material brought to site if found failed to meet to any of the specification requirements the lot will be rejected.

Thanking you

(B.K. HOTA)
TEAM LEADER
